# DESTINATION UNKNOWN

WHEN WE FIRST ARRIVED HERE AT HERKIMER HIGH SCHOOL, WE HAD NO IDEA WHAT TO EXPECT FROM THE TEACHERS AND OTHER STUDENTS. WE DIDN'T KNOW IF IT WOULD BE BETTER OR WORSE THAN GRADE SCHOOL. AFTER BEING HERE FOR A WHILE, WE GOT USED TO THE SCHOOL, THE PEOPLE, AND THE TOWN. EVERY PASSING YEAR, THOUGH, POSSESSED SOME UNKNOWN DESTINATION. WE DIDN'T KNOW WHAT WAS GOING TO HAPPEN TO US OR ANYONE ELSE. NOW WE'RE SENIORS. WE THINK WE KNOW WHERE WE'RE GOING BUT WE DON'T. OUR BIGGEST DESTINATION IS AHEAD OF US, AND WE HAVE NO IDEA HOW IT WILL TURN OUT. SOME OF US HAVE PLANS FOR COLLEGE, BUT WE DON'T KNOW HOW THAT WILL TURN OUT. THIS IS WHY WE DECIDED TO HAVE THE TITLE DESTINATION UNKNOWN. BECAUSE LIFE IS JUST ONE BIG UNKNOWN DESTINATION.

*"A special thanks to all the teachers at HHS for cooperating with us. And a very special thanks to Mr. Pitcher and Miss Wright for all their help and patience with us through the year. Without their help our yearbook would not be a success! Thanks guys!!"*

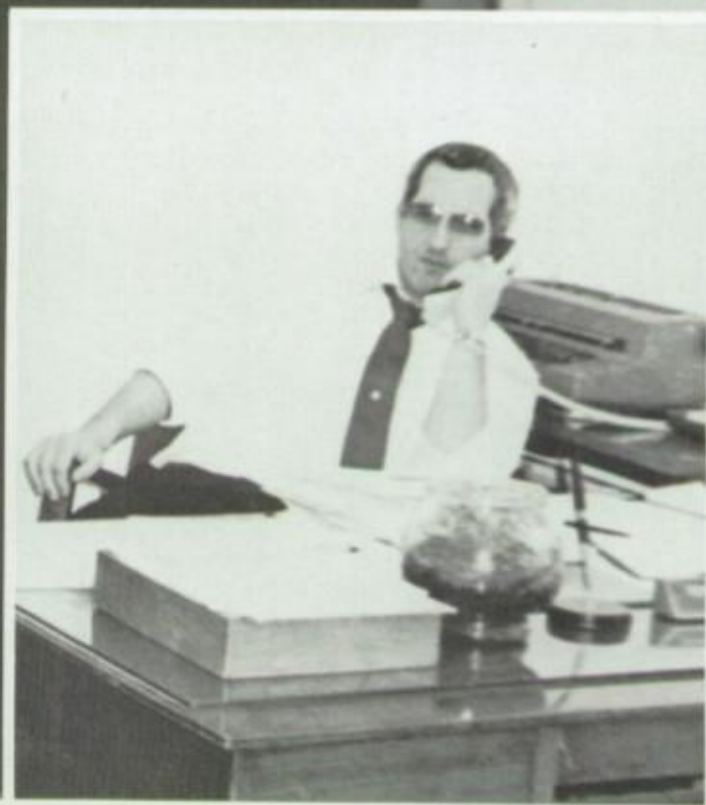

# NO PROBLEM . . .

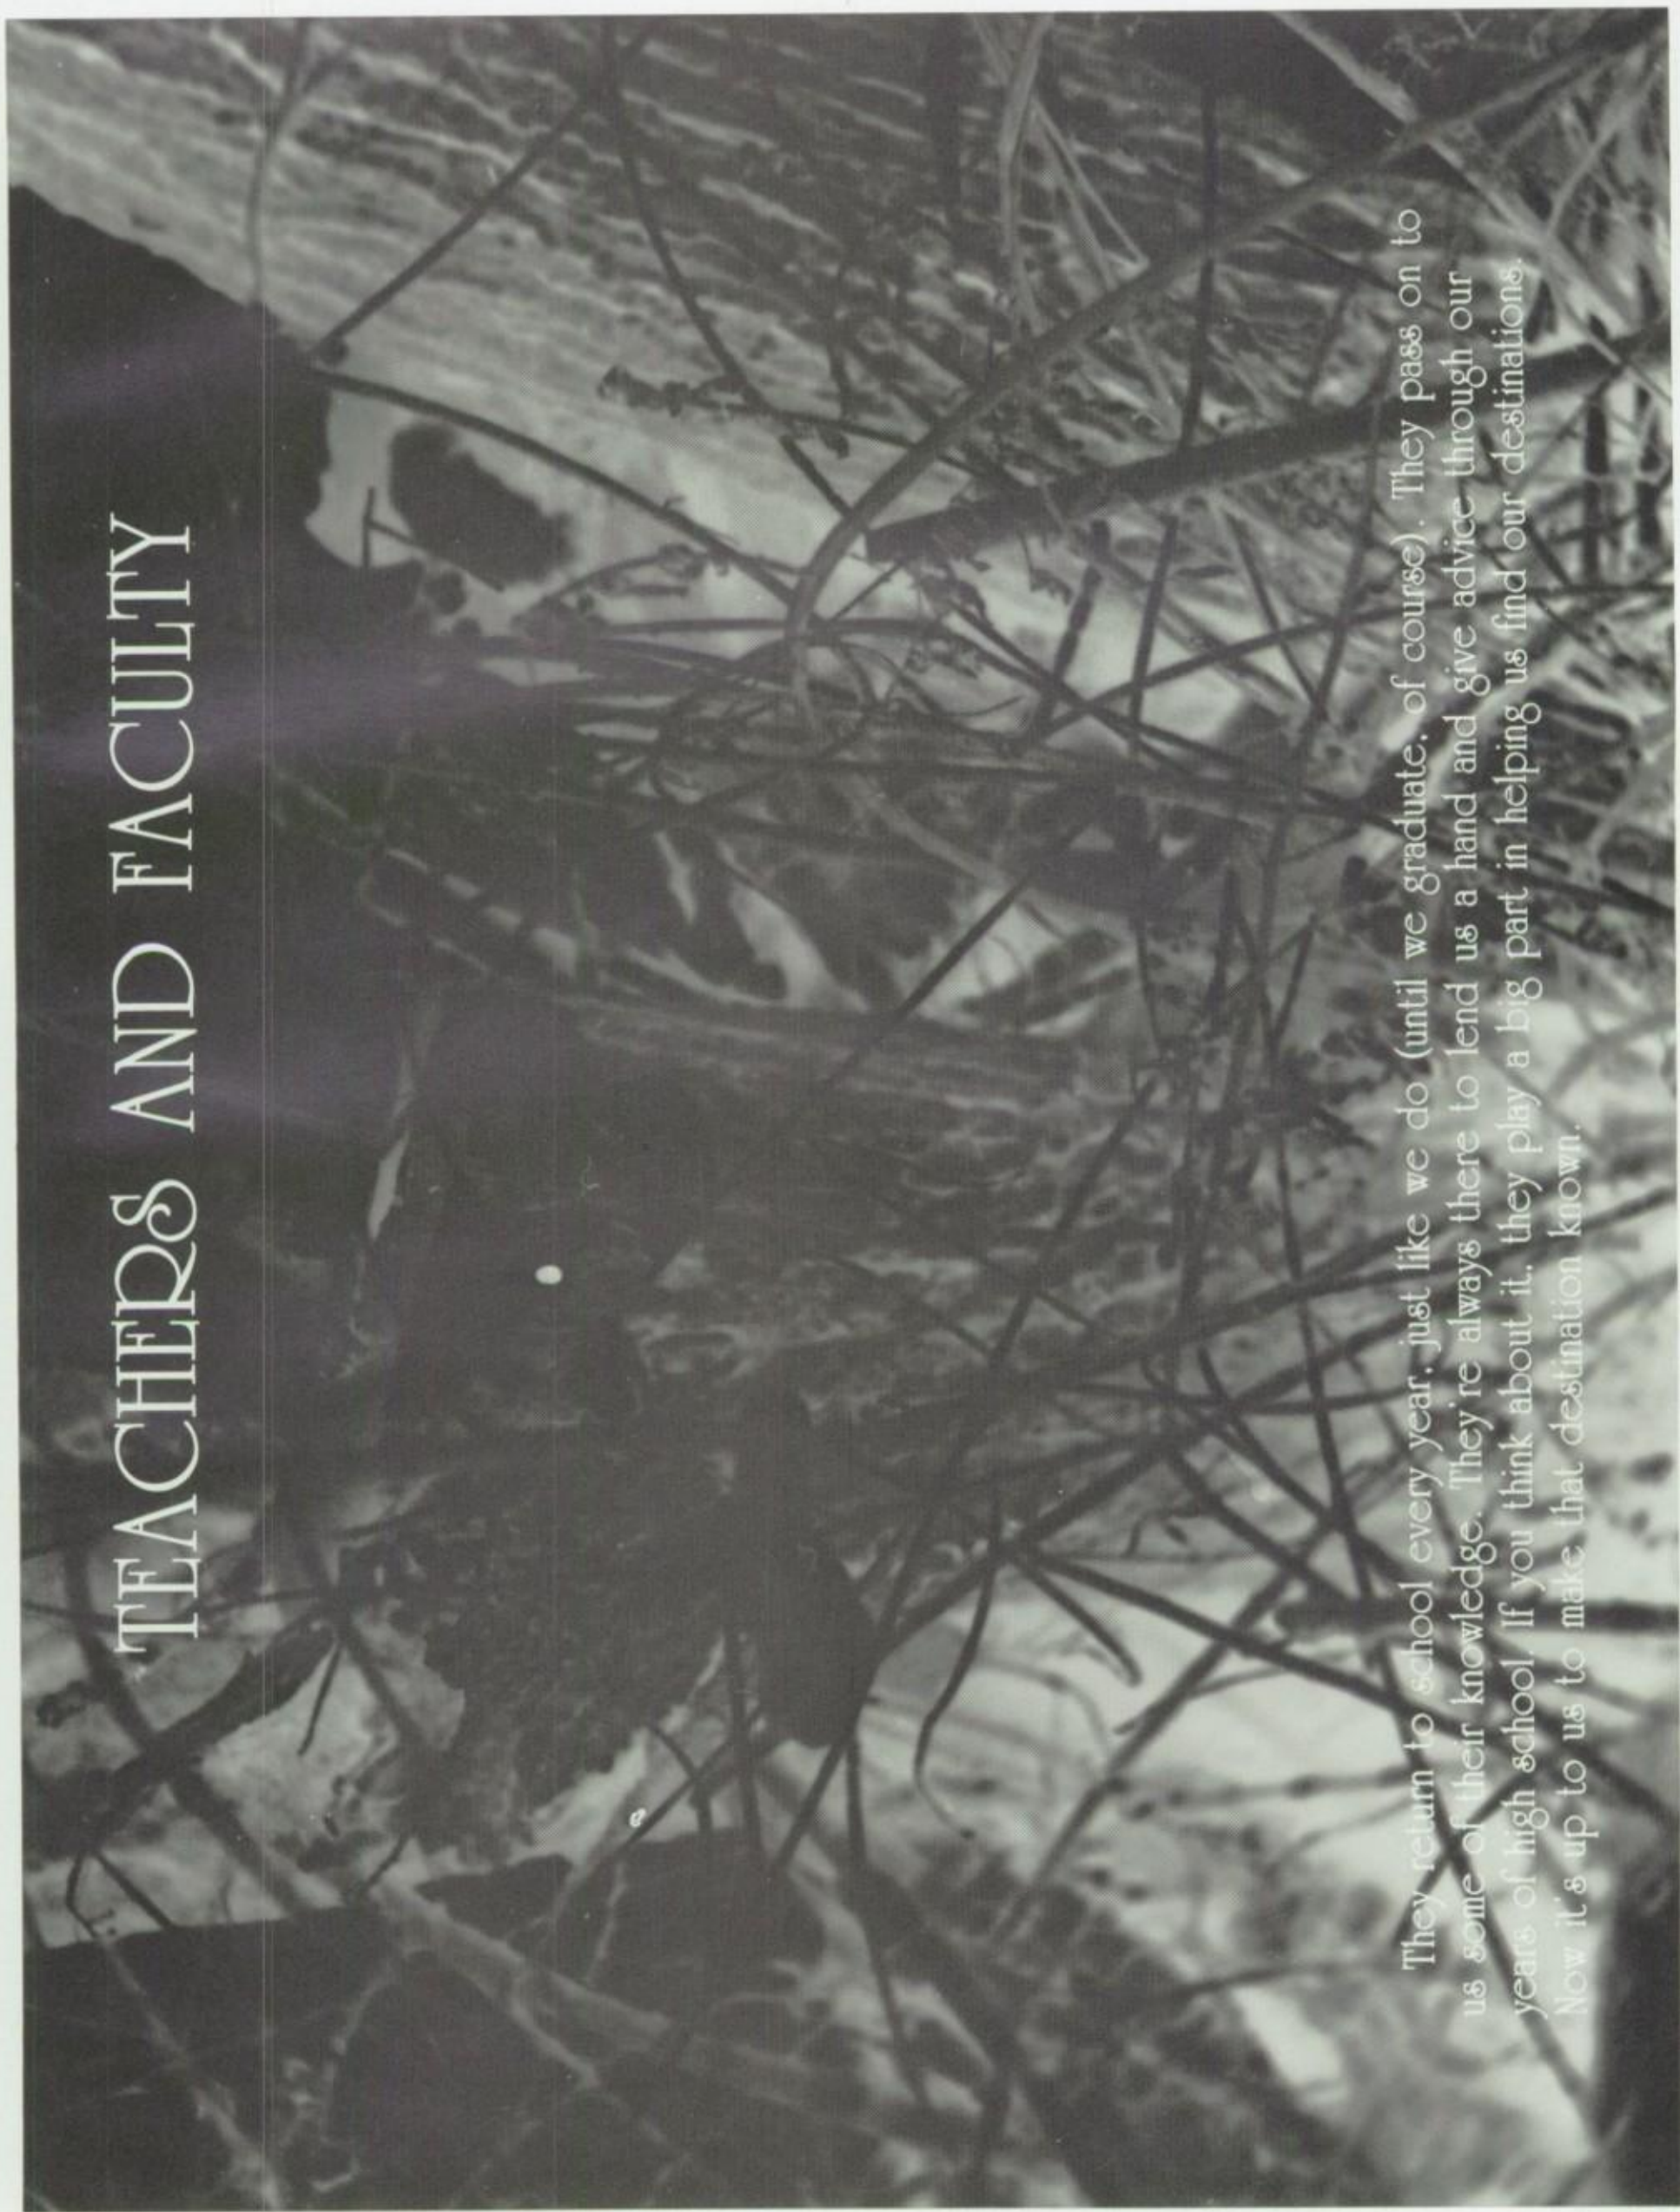

Each year the senior class votes for an individual they wish their yearbook to be dedicated to. This year we have chosen Mr. Haskin.

A couple of years ago when the word was out that H.H.S. was getting a new principal, no one knew what to expect. Then, when we all found out how cool he was, we were glad to have him aboard! He puts his all into doing his job the best he can. No matter how busy he may be, he always makes time for the students. He stands behind us all the way! He is really dedicated in his concern for what happens to the student body.

On behalf of the class of 1988, we would like to say thanks for being one awesome principal and for guiding us in the right direction towards our 'Destinations Unknown.' Mr. Haskin, this yearbook is dedicated to you!!

# TEACHERS AND FACULTY

They return to school every year, just like we do (until we graduate, of course). They pass on to us some of their knowledge. They're always there to lend us a hand and give advice through our years of high school. If you think about it, they play a big part in helping us find our destinations. Now it's up to us to make that destination known.

The 1987 Boys' Track team, under Captains Dan Bailey, Ron Honka, Mark Militello, and Rick Wheeler, was extremely successful. No one could touch them. They easily defeated every team for the fifth year in a row. Only a couple of games during the season were close, but the team always managed to give a little extra to come out victorious.

The team was undefeated for the fifth year. They came out as CVC Champs for the fifth year in a row. They then went on to become Section III, Class C Champs.

Scores for the season are as follows:

The team then continued on to defeat Mount Markham, 5-2, in the Class C-1 Championship. They then defeated Little Falls, 3-2, to capture the Sectional Class C Championship. The team then, once again, defeated St. Lawrence Central, 3-0, to win the Central Region of the State. The season came to a disappointing end in a 3-1 loss to Greene in the State Semifinals. The team finished the year with a 22-6 record.

Seniors Scott Priesche, Bob VanValkenburg, John Mula, Kevin

Moynihan, Dave Carney, and Skeeter Gallagher will be missed in the line-up. The Spring 1988 season is also expected to be a successful one. A number of Juniors and Sophomores in '87 gained a lot of experience. Mike Stalteri, Randy Ray, Scott Leskovar, and Shawn Kozma will be expected to step in for the players graduating to lead the team on to victory.

CVC All-Stars: Scott Priesche, Bob VanValkenburg, Kevin Moynihan, Randy Ray. Honorable Mention: John Mula, Mike Stalteri.

1988 Seniors - Front: R. Ray, M. Stalteri, M. Vespi. Back: S. Leskovar, S. Nichols.

The 1987 Boys' Varsity Baseball Coaches were Coach Blask and Coach Zaleski, with help from Tim Newman.

## FRESHMEN BASEBALL

### One More Time by Bill Fike

The Herkimer Freshman Baseball Team once again captured the Central Valley Conference Championship. This was the fifth consecutive year that it was accomplished.

Many things brought the championship to the hands of the team. There was an excellent display of pitching, and the hitting was exceptional. The average number of hits given up this season was five, and the average of hits handed to the opponent was ten. The most important thing that gave us our victories was Coach Moynihan. Without his skills and pep talking, most of our wins would have never existed.

The team closed the season with twelve wins over seven different teams and two defeats by two different teams, and the opponents were outscored 122-82. The championship game, which was against Little Falls, was a special one because Jeff Daly will not return to Herkimer High School next year. The score of the game, which was dedicated to Jeff, was 11-7.

The Golf team, coached by Mr. Snyder, had a rather successful season last year. Their record was 8 and 6 for the season. This record really says nothing, because a lot of the loses were only by a few strokes. This year's team is expected to do very well. The team is losing only one Senior, Mike Peters. Mike had a very good season last year and helped the team a great deal. Mike will be missed by everyone. Returning this year as Seniors will be Jim Fiorentino, Bill Karpen, Greg Lewandrowski, Tom Nencetti, and Dale Eckler. All these Seniors helped the team to win these matches. We hope to see a lot from these boys in the next season. Good luck guys!

CVC Tournament at Hidden Valley - 4th place

Dale Eckler

Bill Karpen

The Varsity Football team had a very successful year. Even though they didn't make it to the Dome, they showed great talent. Brian broke the school passing record in a game this year when he passed for over 300 yards. Scott Scherer also had a good year on Offense. He made the All-Star team for an End. Mike Vespi, Bo Vespi and Ross Richard also had very good years. They helped the team to gain many yards. These three were also Honorable Mentions on the All-Star team.

Randy Ray had an all-around good year. He rushed for many yards, stopped many plays on Defense, and punted the team out of many situations. Randy also made the All-Star team for punting. The team would have done nothing if it weren't for the Line. The Offensive Line, made up of Mike Streeter, Dave Kirkpatrick, Ted Walawender, Daryl Grande, and Tom Caliguire, pushed the team to its 4-4 season. Good Job, Guys!

The team would have been nothing without the guidance of their coaches. At this time I would like to thank Coach McMahon. He goes to the practices for the kids on the team and teaches them all he

A first-year Varsity member, Jason Richard, received the most outstanding wrestler award at the Frankfort tournament. Justin Tangorra was also new on the Varsity team and had many new experiences. Ken Pokorny did a fine job his first year. Other wrestlers include Jason Kovatchitch, Brad Tangorra (who had a good year and is always working for improvement), Phil Tangorra (another hard worker), along with John Green and Jeff Coombs, Brad Riesel, and Brock Morra. Our seniors—Pat View and Ross Richard—will be missed next year as they had many fine performances.*

## SENIORS

*The varsity team came out and played very strong this season. They came out with a 6 game winning streak. After this the team fell rapidly. They seemed to fall apart. Coach Vallercorsa did what he could to knock the team back into shape. He drilled them and pushed them. He told them what they needed to know but it was over all up to them. The team is going to be losing many seniors. They are: Randy Ray, Bo Vespi, Mike Vepl, Dave Kirkpatrick, Mike Seymour, Mike Stalteri, Scott Scherer, Scott Leskovar, and Ken Vaughn. The team finished the season with an 8 and 12 record. They will be going to sectionals but we don't know how they have done. We hope they do well.*

# BOYS' J.V. BASKETBALL

*The JV team did very well this season. They came out and played very strong this season. Lead by Coach Campagna the team came out with a very good season. These boys owe a lot to their coach. He taught the boys what he believed they would need to know, and it paid off. He also yelled and made them run a lot, but that's what coaches are supposed to do. We hope that these boys will be able to take this good playing to the varsity team next year. If they play as well the team will do very well. Good luck guys.*

*The girls did very well this season. They didn't win the CVC title but they had a very prosperous season. Under the guidance of Coach Maury, the team was able to beat most of their competitors. Kris Cool, Sue Tripp, and Michele Bailey were the leaders of the team. They got the girls to work together, and brought them to this very good season. Coach Maury worked long and hard with this team. Since the team will only be losing one senior, Coach Maury knows what she will have to work with next year. Congratulations on your winning season and good luck next year girls.*

*Coach Garey was not as lucky with the JV team as Coach Maury was with the varsity team. The JV team had a very dismal season this year. They only won a few of their games. Quite a few of the girls were new to the team though. Coach Garey did what she could to mold them into varsity players. The season wasn't that good but it was a learning experience for them. The team will have help when they move up to varsity though.*

The girls' varsity volleyball team wasn't as successful as the boys' team. They went up against some tough teams and came up short in a lot of games. The girls were led by Coach Workman. She did her best to teach the girls everything she knew. She drilled them very hard and made them work. Despite all her efforts, though, the team still came up short. The team will be losing some of its members this year, and they will be greatly missed. They put a lot of time and effort into the team.

The JV team didn't have a lot of success either. The team was made up of a lot of first time players, and they weren't quite able to get together in time. They worked hard but they, too, came up short.

The boys volleyball team had an outstanding season this year. Under the guidance of coach John Helns the boys volleyball won the first CVC championship. This is the first time in about seven years the boys have brought home the CVC title. The varsity team was made up of Chad Polus, Mike Tubla, who was team captian, Steve Lore, David Wastowicz, Steve Tucker, John Glzowski, Dennis Meszler, and Jason Frappler. The team worked very hard and played very well together. The team won and owes a lot to coach who worked very hard to make his team champions. His constant yelling and screaming as well as encouraging them made the team work. I would at this time like to thank coach Helns for all his time and effort.

The J.V. team wasn't as successful as the varsity team was this year. They were all first time players but did very well considering their experiences. Coach Helns had worked very hard with them and hopes they will be able to do as well as this year's varsity next year. I would like to encourage boys to go for the team. Many of the players are seniors so the team will need people. Good luck guys.

## ALPINE

# SKI TEAM

*Mr. Mitchell coached the 1987-88 Cross Country Ski Team. We had a small team but still competed and did our best. The courses were very challenging, and very exciting. Next year we hope to have a larger team.*

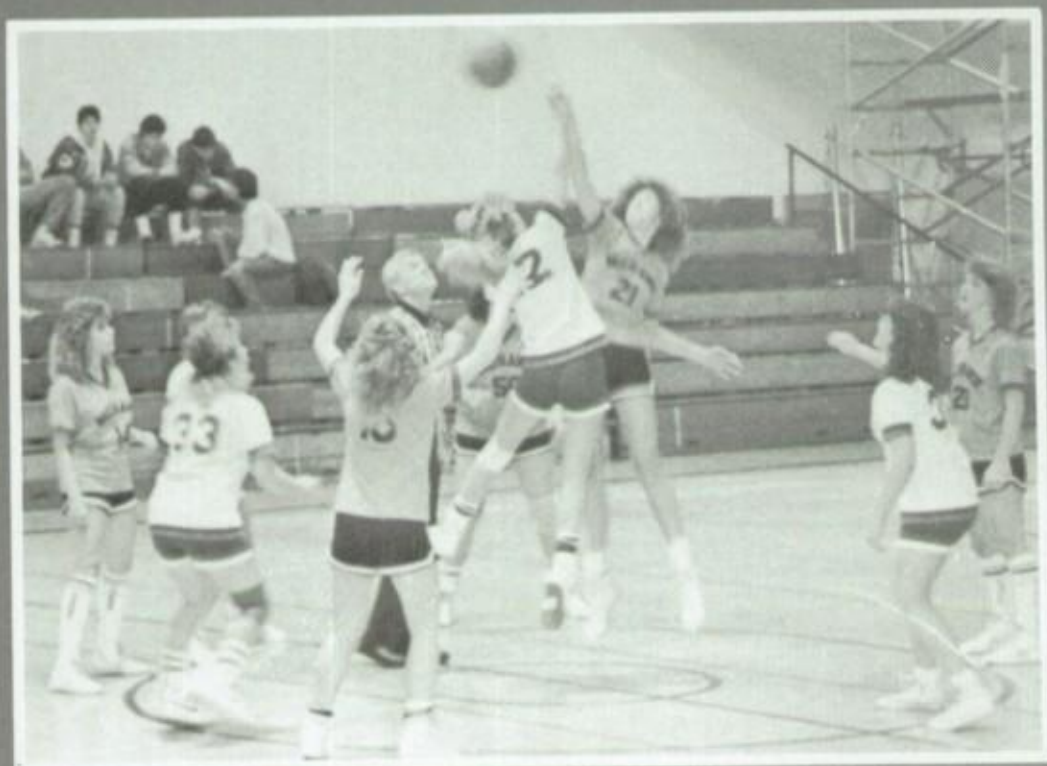

*The Herkimer Ski Team didn't have the best of all years this season, but did try to their full ability to win every race. The fine members of the Alpine and Nordic teams puts much effort and determination into the team. The people which are involved in this sport are as follows for the Alpine team: Karl Farber, Lucas Rockwell, Jeff Cole, John Cole, Oliver Desmet, Mike Chase, Leigh Dillard, Tony Malda, Bill Karpen, and Jeremy Patterson. Let's give credit to the fine members for all the effort they gave. We hope next year the team may have a better season.*

# CLUBS

Each club and activity has its own purpose. They have goals in which they try to achieve success throughout the year. Whether it be a community project, a school project, or just some plain old fun for themselves, our clubs are always active. Clubs represent the students—we too have goals set that we will try to reach in the near future.

"It works for me!" It does? "I don't want to hear it!" "Kroop when are you going to type?" "Jackie, how come the flash won't go off?" On the count of three- 1, 2, 3, -click! On come on I wasn't ready! You're not putting in that picture of me! Panko, you look confused! She is! Wasto, did you get that done yet? When's the next deadline? Miss Wright it's not funny! "Go see Pitcher." Sure! Hey it's dark in here!*

## LANGUAGE CLUB

Language club consists of all French and Spanish students. Our year started with a welcome party for our two foreign exchange students - Oliver Desmet from Brussels, Belgium and Gabriella Rosales from Quito, Ecuador. Club meetings consist of presentations by the foreign students or HHS students who have visited other countries. Activities included candy sales to raise money for possible trips. In the fall, the club visited New York City and saw "Les Miserables," a Broadway show based on the novel by Victor Hugo. We held a Christmas party for our foreign students with traditional French and Spanish desserts. Possible future plans for club members include trips to Montreal, France, and Mexico. Our club officers are M. Kucerak, A. Levin, A. Abbatecola, and M. Bailey.

## F.H.A.

FHA/HERO chapter activities for the years 1987-88 included a Halloween party for children of HHS staff, a Family Harvest dinner, honoring the staff, an elderly project, a public service project, teaching play for students at Bills school, dinner for Mother's Day, and finally the awards banquet. Four year members include Jen Fike and Lori Dicob. Other senior members include Lisa Glachetti and Lisa Ulrich for two years, and Sondra Hysack with one year membership. Chapters encourage personal growth, leadership development, family and community involvement, and understanding the dual roles of men and women.

*"Curtain up, light the lights, we got nothing to hit but the heights." (lyric from Everything's Coming Up Roses by Stephen Sondheim) And hit them we did, beginning with the fall production of Play It Again, Sam to the spring musical production of Rodgers and Hammerstein's Cinderella.*

*On November 13 and 14, 1987, the Footlighters II presented Woody Allen's comedy of Play It Again, Sam for two very appreciative audiences. There was seldom a break in the laughter as the audience watched the action unfold upon the stage. It was a show filled with performances we'll not soon forget. Nice job cast and crew!!*

*Our spring musical production of Cinderella will be ready for performance on March 10, 11 and 12, 1988. As with all our musicals, the competition at auditions was stiff for all available roles. Plans are now underway for a production that will meet and surpass the efforts of all Footlighters II shows. We've got a great cast, crew and production staff to ensure that this show will meet with success and audience acclaim for all involved.*

## 'Play It Again Sam' slated for run at Herkimer High

HERKIMER — The Herkimer High School Footlighters II will present Woody Allen's "Play It Again Sam" on Nov. 13 and 14. Curtain time is 8 p.m.

The three-act comedy features Jim Florentino in the role made famous by Woody Allen, that of Allan Felix, a film critic who is more than a little neurotic and a total flop with the ladies.

Barbara O'Brien and David Wastowicz are cast in the roles of Linda and Dick Christie. Dick is Allan's best friend, but Dick is a workaholic so Linda, as a result, becomes Allan's platonic friend and confidante. She tries to provide Allan with the confidence he needs to make

his social life a success. She constantly tries to "fix him up" with girls, usually with dismal results. Allan, though, often daydreams and his imagination, presents him with scenes of what might occur, but rarely does.

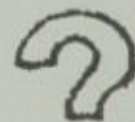

Some of Allan's real and imagined dates are played by Anne Krenichyn, Lisa Acker, Mary Soucy, Amy Smith, Heather Wheeler, Traci Sidelko and Holly Rotundo. The role of Allan's ex-wife is played by Kathy Blask.

Rounding out the cast is Phil Tangorra who portrays Humphrey Bogart — Allan's hero from the movies and his alter ego in the play. Bogey is Allan's close companion, always there

in times of stress to give him moral support and supply him the right "lines" to use on the ladies.

Student director is Erin Johnson, stage manager is Jami Franklin, lights are coordinated by Rick Green and sets are under the technical direction of Mr. Andrew Kelchner, who is assisted by Darren Meszler. The Director of this production is Kathleen Kissane Benedict, advisor to the Footlighters II.

Tickets will be available in advance at Mr. C's Music Store and The In and Out Card Shop in Herkimer. Tickets will be \$4 in advance and \$5 at the door.

Herkimer Senior High School's Footlighters II is presenting Rodgers and Hammerstein's musical fairy tale, "Cinderella". The play is scheduled for March 10, 11, and 12th and curtain time is 8:00 PM for each performance.

Cast in the title role of Cinderella is Michelle Kucerak, making her debut for Footlighters. As in the fairy tale, Cinderella falls in love with the Prince, played by Cosimo Tangorra. The King and Queen are portrayed by David Wastowicz and Chris Rowan.

At the ball they hold in honor of their son, Cinderella meets and falls in love with the Prince. And, of course, loses her glass slipper. None of this romance, however, would be possible if it weren't for the magic of the Fairy Godmother, played by Holly Rotundo. The only problem for Cinderella is her mean stepmother, played by Mary Soucy, and her two stepsisters, played by Anne Krenichyn as Portia and Barbara O'Brien as Joy. The part of the Herald is played by Jim Fiorentino. The show is under the direction of Kathleen Benedict, advisor to the Footlighters. Andrew Kelchner is the technical director, Kathy Gaeta is conductor for the orchestra, Doris Yager is choreographer, and Leigh Harder is vocal director. Warren Beers is also giving this year's play a new twist with flying characters across the stage.

Supporting the play in the chorus as singers and dancers are Dale Eckler, Phil Tangorra, Chris Sands, Heather Polus, Wendy Whaler, Kim Pedrick, Margaret Pedrick, Catherine Pedrick, Heather Wheeler, Lisa Acker, Amy Smith, Whitney Perry, Laurel Wheeler, Michelle Bishal, Jennifer Bald, Sarah Bennett, Traci Sidelko, David Ford, and Tim Acker.

Tickets can be purchased in advance at Mr. C's Music Store, The In and Out Card Shop, both in Herkimer, or from any Footlighter's II member. The cost is \$2.50 for children under 12 and \$5.00 for adults.

## CHOIR

### CHOIR

By Michelle Kucera

The H.S. Choir has many plans for the future. Each choir member is working to raise money for a trip to Virginia in April. The choir has already sold wrapping paper and tins of food. Please support the choir in their efforts to raise money.

There was a Christmas concert on December 17, at 7:30, in the auditorium. The choir performed a variety of selections and the jazz choir also performed. The Band and Jazz Ensemble rounded out the night's program.

The Choir program shows a lot of strength and potential. The concert proved to be an excellent one.

# WINTER COLOR GUARD

## MAGIC IN MOTION

By Amy Byrnes and Michelle Kucerak

The 1987-88 Winter Color Guard has gotten off to a great start this year. Their show, designed and taught by Mrs. Gaeta, features songs by Kansas; the theme being music videos. Included in the show are many complicated dance moves and challenging rifle and flag routines.

Last year the Winter Guard took fourth place out of about twenty guards, a great improvement from the previous year's thirteenth. The guard hopes to take first this year.

On February thirteenth, 1988, the guard will host the Second Annual "Magic in Motion" colorguard show. Four of the best guards in the state will compete. Advance sale tickets may be purchased from any Winterguard member or Mrs. Gaeta.

This year's members are:

OLIVER DESMET

Oliver

*When I left my home in Quito, Ecuador I was very sad to leave my family, my friends, and all of the things that I was used to, but I was very happy coming here to the United States. Even though one of my host parents had sent me photos and letters of people in Herkimer, I really didn't know how it would be. I didn't understand anything for a few weeks because I had so much trouble with English. I'm glad that my first family, Dr. and Mrs. Maime de Paredes, spoke Spanish.*

*While I have been here I have learned a lot of English, and to be more independent than I was in Ecuador. The newest things to me here have been snow, cold weather, and cross-country skiing. I liked seeing the change in the colors of the trees.*

*I want to thank my own family in Ecuador because, without their help, I couldn't have been here this year. I want to also thank all of my host families here in Herkimer, the Rotary Club, the Herkimer High School, my friends, and all the people who have helped me this year. It's been exciting for me to know people from a different part of the world. I will always remember this year in Herkimer. Adios amigos!*

*I'm really impressed with the opportunities foreign exchange provides. I've gotten involved with the ski team, the Footlighters, the "HHS Herald" and much more. These activities allowed me to get close to my friends and to see different things in this country (especially Lake Placid). Everything is so big over here, the country as well as the cars and even the quantity of food.*

*I've had the best time of my life, much more than I used to have in Belgium. The students in the United States always "smile" and I think it's the best thing they have. I was welcomed and became involved with the students and their activities. I learned the way of life in America and I can tell you that it's so different from Belgium. The education here is based on the way of life in society; in Belgium I had to study a lot more and I didn't have much time to play any sports, to do things with my friends or to meet more people. Here you have many things to do and you have to combine sports, clubs and studies. By doing these things you have an organized mind and you have more responsibilities toward yourself.*

*This year wouldn't have been possible without you. So I'd like to thank my school friends, the Herkimer community, the Youth Exchange Student Organization, my parents in Belgium and especially my host family, the Allens, for making this experience so wonderful for me. I will never forget it.*

Till we meet again...

LIFE WAS SO CAREFREE  
WHEN WE WERE YOUNG.  
IT'S TIME TO LEAVE NOW  
WHAT WILL WE BECOME?  
WE WERE KIDS THEN  
IT'S PART OF THE PAST.  
WE NEVER THOUGHT HOW LONG IT WOULD LAST.  
IT WAS SO LONG AGO BUT IT SEEMS LIKE YESTERDAY.  
THE THOUGHT OF THE FUTURE WAS SO FAR AWAY.  
THE TIME WENT SO FAST WE'VE BEEN FRIENDS FOR SO LONG.  
ALL THE TIMES THAT WE SHARED OUR FRIENDSHIP GREW STRONG.  
OUR PATHS WERE ONCE CROSSED AS THEY WILL OFTEN AGAIN.  
TOGETHER THROUGH THESE YEARS OUR FRIENDSHIP WILL NEVER END.
